A sketch is added for your information and based on the Uniken 20 December 1975 Guide to Campus (Appendix T). A list of points is also appended (Ap. L). A detailed list of each traverse points and possible sight to signals from each of them is contained in Appendix TD (for traverse details). Coordinates will be available in March.

Fig. 0

Shape from Uniken 20 Dec. 1975, Survey control superimposed
HW 10.1.76

A transparency of the net for O/Head projection may be obtained from HW for F/W instruction; many more connections may be attempted: W48 is in the top balcony, Warrane College

Fig. 3, text from page 3, 'Supervisors etc.,' para 5.

Road, traversing parallel to traffic stream WRONG
