

A sketch is added for your information and based on the Uniken 20 December 1975 Guide to Campus (Appendix T). A list of points is also appended (App. L). A detailed list of each traverse points and possible sight to signals from each of them is contained in Appendix TD (for traverse details). Coordinates will be available in March.

Shape from Uniken 20, Dec. 1975; survey control superimposed
HW 10.1.76

A transparency of the net for offset projection may be obtained from HW for F/W instruction; many more connections may be attempted. W48 is on the top balcony, Warrane College.

Fig 3, text from page 3 'Supervisors etc...' para 5.
